

# IRSA ASM 2023 Program

## Tuesday 27th June

### Boronia Room - Level 2

#### 0830 - 1000: Interventional Oncology 1

0830 Welcome from Convenors.

0835 Multimodal CT Combined Procedures. *Prof Afshin Gangi*

0900 Y90 vs DEB TACE. *Prof Sanjeeva Kalva*

0925 Y90 in Challenging Scenarios. *Prof Sanjeeva Kalva*

1000 - 1030: Morning Tea

#### 1030 - 1130: Interventional Oncology 2

1030 MRI Guided Intervention. *Prof Afshin Gangi*

1050 Implant based fixation in the spine and bony pelvis for metastatic disease. *Prof Uei Pua*

1110 Lymph Node Ablation. *Prof Afshin Gangi*

#### 1130 - 1230: Women in IR

1130 Australia and New Zealand status update and practical aspects. *Dr Caitlin Farmer*

1150 Mentoring to Support Diversity in IR. *Dr Annabelle Skelley*

1210 A Trainee Perspective. *Dr Hannah Ireland*

1230 - 1330: Lunch & Art Exhibition

#### 1330 - 1500: Arterial Disease

1330 Percutaneous deep venous arterialisation made easy. *Prof Uei Pua*

1350 Below-the-ankle revascularisation: Beyond the basics. *Prof Uei Pua*

1410 Mesenteric aneurysm. *Dr Jonathan Tibballs*

1430 Intravascular Lithotripsy & Final Results of the GPX Embolic Device Trial for Distal Penetration Applications. *Dr Steve Merrilees*

1330 - 1500 Canon Workshop:  
AngioCT: Revolutionising  
Interventional Radiology  
*Prof Tay Kiang Hong*

1500 - 1530: Afternoon Tea

#### 1530 - 1700: IASIOS & Q&A

1530 IO How to Make it a Mainstream Interdisciplinary Cancer Care. *Prof Andreas Adam*

1555 QA/Lessons from RO and creation of the CIRSE Standards of Practice in IO. *Prof Liz Kenny*

1620 How IASIOS works and what it can do for your practice? *Dr Nick Brown*

1530 - 1700 Penumbra Workshop:  
Computer-Aided Mechanical  
Thrombectomy and Embolisation  
*Dr Andrew Wigham*

1700 - 1800: Happy Hour Drinks

1830 - 2230: Welcome Dinner at the InterContinental

## Wednesday 28th June

### Boronia Room - Level 2

#### 0830 - 1000: Advanced Embolisation

0830 PAE How. *Dr Glen Schlaphoff*

0850 PAE 2. *Dr Nick Brown*

0910 Uterine Artery Embolisation for fibroids and adenomyosis: pearls and pitfalls. *Dr Eisen Liang*

0930 Haemoptysis and Liquid Embolics. *Dr Suhrid Lodh*

1000 - 1030: Morning Tea

#### 1030 - 1130: Paediatric IR

1030 Paediatric angiography tips and tricks. *Dr S. Murthy Chennapragada*

1050 Common non vascular procedures in children: case based discussion. *Dr S. Murthy Chennapragada*

1110 New strategies in vascular malformation treatment. *Dr David Lord*

#### 1130 - 1230: Hepatobiliary

1130 Venous deprivation. *Dr Sam Davis*

1150 TIPSS, BRTO, BATO - why , when and how. *Prof Sanjeeva Kalva*

1210 Percutaneous cholangioscopy. *Dr Albert Goh*

### Casuarina Room - Level 2

#### 1030 - 1230: Radiographer/Nurse Session

- The radiographer-led PICC line service. *Dr. Robin Hart*

- The advanced practice pathway in Australia. *Dr. Don Nocum*

- Taking the stress out of IR – procedural sedation tips and tricks for non-anaesthetists. *Neil Mendonsa*

- Software applications in angiography. *Nathan Brunskill*

- Power injection of microcatheters. *Brendan Erskine*

1300 - 1400: Lunch & Art Exhibition

1300 - 1400: AGM (IRSA Members Only, Boronia Room)

1300 - 1400: AGM (IRSA Members Only, Boronia Room)

#### 1400 - 1530: Pain

1330 Procedures for Pain Management – Context Matters. *A/Prof Damien Finniss*

1350 Outpatient Pain Service. *Dr Sanjay Nadkarni*

1410 Vertebroplasty. *Dr Shady Osman*

1430 Cryoneurolysis. *Dr Hao Xiang*

#### 1400 - 1530 Merit Workshop: Emerging techniques to successfully treat Hypervascular Processes

*Dr Sandeep Bagla*

1530 - 1600: Afternoon Tea

## Wednesday 28th June

1600 - 1730: Oral Research Papers

1600 - 1730: Inari Workshop  
New Horizons in VTE-Advanced,  
lytic-free approach to treatment  
*Dr Fakhir Elmasri*

1730 - 1830: Happy Hour Drinks

1830 - 2200: Executive Dinner (invite only)

## Thursday 29th June

### Boronia Room - Level 2

#### 0830 - 1000: Ablation

0830 Cryoablation - Interventional Radiology Practical Approach. *Dr Shady Osman*

0850 Thyroid ablation. *Dr Brendan Buckley*

0910 Cryo Endometriosis. *Dr Afshin Gangi*

0930 Ablation in the Deep Spaces of the Head & Neck: The Next Frontier. *Dr Uei Pua*

1000 - 1030: Morning Tea

#### 1030 - 1130: Venous Disease

1030 CDT Updates. *Prof Sanjeeva Kalva*

1050 PERT - Westmead Hospital. *Dr Luke Baker*

1110 BPA for CTEPH. *Dr David Boshell*

#### 1130 - 1230: ANZ IR Practice Focus

1130 IR away from the mainland. *Dr Nick Cheung*

1150 Panel Discussion - TBC

1230 - 1330: Lunch & Industry Session - IASOS: Q and A

#### 1330 - 1500: Beyond Horizons

1330 IO and IO. *Dr Mark Wong*

1350 Histotripsy. *Prof Sanjeeva Kalva*

1410 Beyond Needles and Images. *Prof Andreas Adam*

1440 RANZCR IR Specialty recognition update. *Dr Nick Brown*

1500 - 1530: Afternoon Tea

1530 - 1700: Registrar & IR Fellowship Oral Research Presentations

1830 - 2215: Farewell Function - Sydney Harbour Dinner Cruise

### Casuarina Room - Level 2

#### 1030 - 1200: Abbott Workshop: Innovative Uses of Amplatzer Plugs

*Dr Suhrid Lodh,*

*Dr Jules Catt &*

*Dr Justin Whitley*

#### 1330 - 1500 Boston Scientific Workshop:

Advancing RCC Cryoablation

*Dr Glen Schlaphoff*
